

**ENGINIOUS**  
DRIVEN BY INNOVATION

# ENGINEIOUS

Where **INNOVATORS**

Meet **ARTISANS.**

*We are a tribe of dedicated engineers, creative artists, and visionary designers who fearlessly conquer the realm of technology. We are warriors, pushing boundaries, and unlocking limitless potential. With our cutting-edge solutions, we captivate audiences, elevate brands, and deliver transformative experiences that exceed expectations. Join us on this exhilarating journey into the future.*

# Unveiling Our Essence: **MISSION, VISION, AND CULTURE**

## **MISSION**

Our mission at Enginious is to empower companies to leverage cutting-edge technologies to captivate and convert potential customers in the most effective and efficient way possible.

## **VISION**

We aspire to revolutionize the event industry, automation, and robotics sectors by pioneering cutting-edge, customizable technology solutions. Our aim is to be the undisputed leader in providing innovative, immersive experiences across the globe.

## **CULTURE**

Fuelling creativity, fostering collaboration, and pushing boundaries. We embrace risk, encourage exploration, and value open communication. Together, we empower success through a dynamic and supportive work environment.

# THE VALUE PROPOSITION

Why **CHOOSE US** for your needs?

## INNOVATION

Our unwavering dedication to innovation fuels our pursuit of inventive solutions, propelling us beyond limits and fostering progress.

## QUALITY

Excellence is our hallmark. We deliver superior quality, earning the trust of our clients through relentless pursuit of improvement.

## TRUST

Trust is the cornerstone of our success, fostering enduring connections through respect, honesty, transparency, and unwavering integrity.

### Why Enginious?

*Our core values are more than just words on a page – they are the driving force behind everything we do. By embodying these values, we make a real difference in the world. We are passionate about **innovation**, committed to **quality**, and dedicated to building lasting relationships based on **trust**. That is what sets us apart from the rest.*

# OFFERED PRODUCTS

**AR/VR/METAVESE:** Bring your products and services to life with our transformative virtual and augmented reality solutions. Elevate your brand by immersing it into metaverse.

**INTERACTIVE GAMES:** Immerse your event attendees in an interactive world of fun and entertainment with our captivating games. Whether it's nostalgic arcade classics or tailor-made virtual reality experiences, our fully customizable games cater to all ages and seamlessly align with any event's theme and style.

# OFFERED PRODUCTS

**KINETIC DIGITAL ART:** Amplify your brand with our mechatronics machines, combining motion, LEDs, and sound for captivating product displays. Experience the fusion of technology, art, and movement in extraordinary kinetic sculptures for unforgettable events.

**AUDIO VISUAL TECH:** We provide state-of-the-art audio-visual technology solutions that enhances any event, from large-scale exhibitions to small-scale presentations. Display your offerings with our LED screens ranging from P1 to P10 pitch. Enhance your event with laser projections, gobo lights, and projection mapping.

# OFFERED PRODUCTS

**HOLOGRAMS:** Our cutting-edge hologram technology can create lifelike, 3D images of people and products, perfect for product launches, trade shows, and other events where you want to create a lasting impression.

**INTERACTIVE AND IMMERSIVE EXPERIENCES:** Our innovative product category combines smart AV solutions with a range of sensors, enabling businesses to create a unique brand journey. By integrating these solutions, products, and services become interactive, enhancing customer experiences and driving engagement.

## OFFERED PRODUCTS

**ROBOTICS:** Elevate your event with our extensive range of robotics solutions, unlocking boundless interactivity and engagement. From humanoid robots to self-navigating marvels and versatile robotic arms, our custom-built creations seamlessly interact with attendees, perform diverse tasks, and deliver an unforgettable, immersive experience.

# OUR SERVICES

# OUR SERVICES

**EVENT TECHNOLOGY:** We specialize in experiential branding, captivating audiences with immersive & interactive experiences. Using cutting-edge technologies like AR, VR, and robotics, we design tailored solutions that leaves a lasting impression.

**PERMANENT INSTALLATION:** Create immersive experiential spaces tailored to your needs. From centers to studios and offices, our customized installations enhance engagement and innovation, delivering exceptional value and ROI across industries. Transform your space into a captivating hub of technological innovation.

# OUR SERVICES

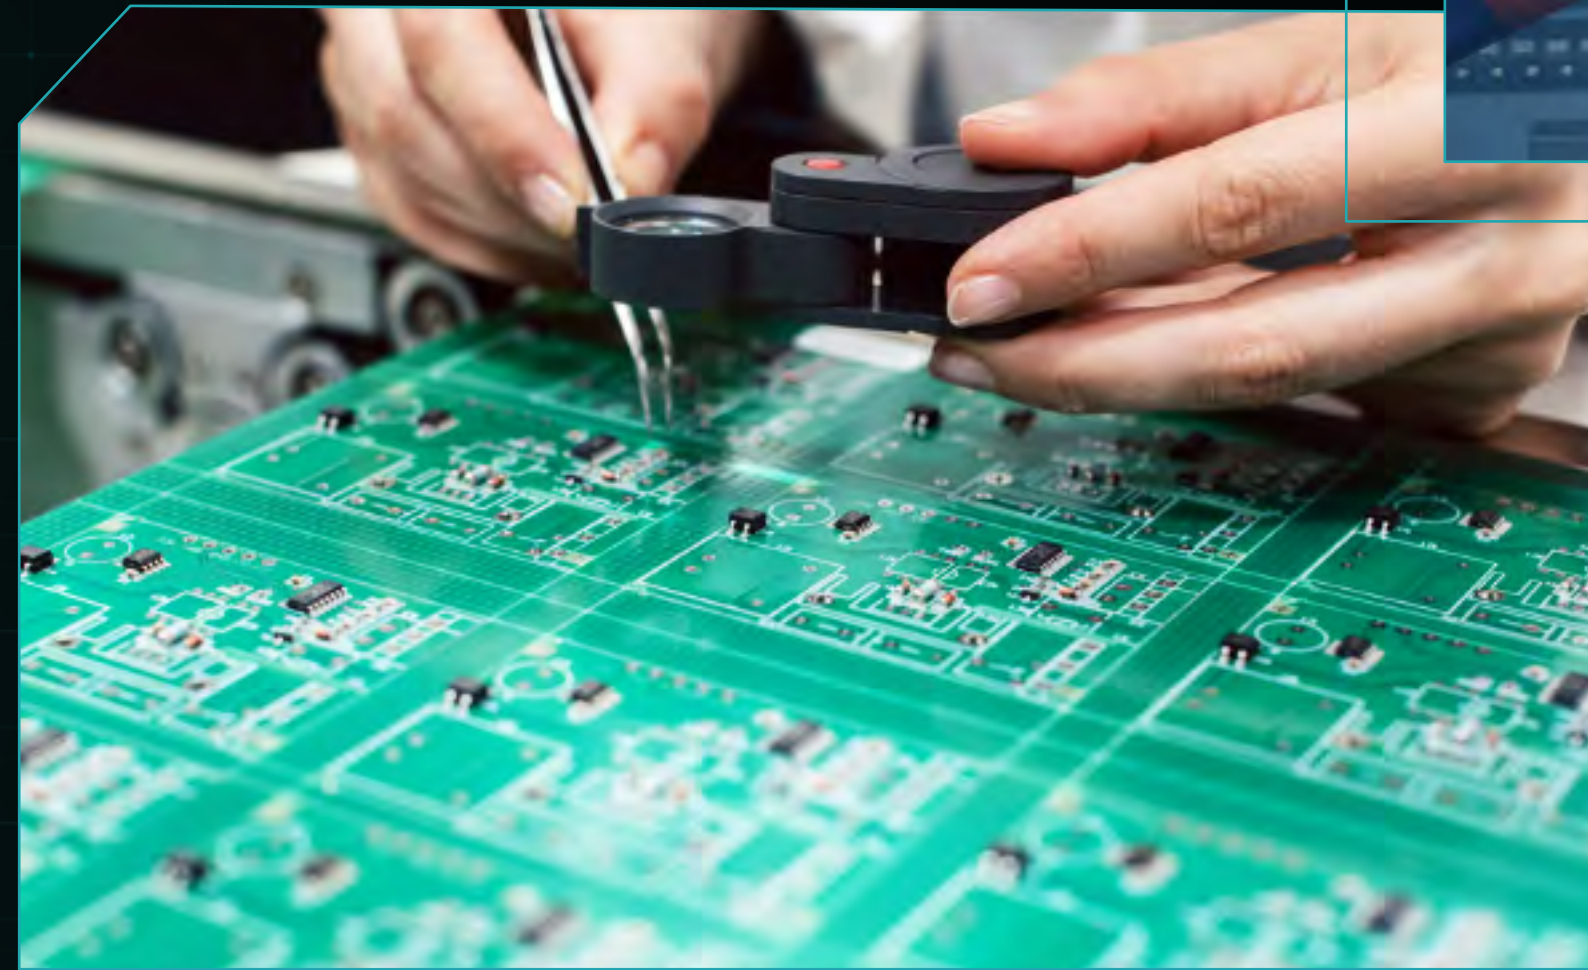

**CONTENT CREATION:** Engage and inspire your audience with our visually stunning 2D and 3D content. From moodboards to infographics, our expert team elevates your brand identity and exceeds expectations, captivating viewers on multiple screens. Let Enginious take your content to new heights.

**APPLICATION DEVELOPMENT:** Enginious creates visually stunning, feature-rich desktop and mobile applications using Unity/Unreal Engine. Unlock your ideas' potential with our tailor-made solutions. Elevate your applications with Enginious.

# OUR SERVICES

**MAINTENANCE AND OPERATIONS:** Experience unparalleled after-sales support and maintenance for technologies, innovation centers, offices, and studios. Our tailored solutions ensure peak performance and productivity, backed by dedicated professionals and annual maintenance contracts.

**Product Designing and Development:** Ingenious provides comprehensive product development services including CAD design, PCB manufacturing, and meticulous attention to detail. From concept to production, we deliver tailored, high-quality consumer products.
